

QUIREMED

First Aid Room & Medical Centre Set Ups

Assess The Situation: First Aid Rooms need to be established if it would be difficult to administer the appropriate level of first aid and care unless a clinical room is provided.

- Low Risk Workplaces of 200 people or more
- High Risk Workplaces of 100 people or more

Low Risk Workplace

No exposed hazards and risks

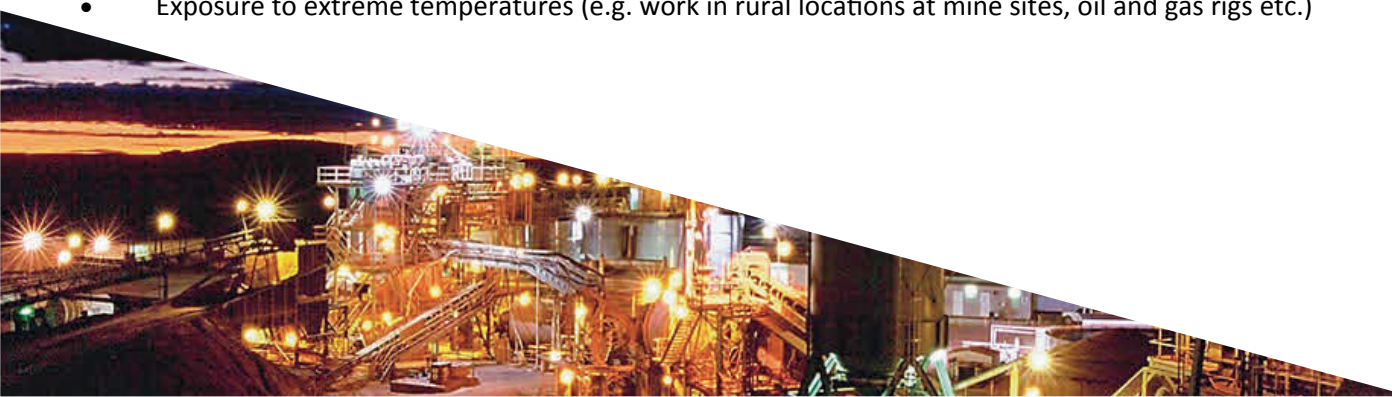

- Potential minor work related injuries requiring first aid (E.g. Offices, Schools, Library, Shopping Centre, Fitness Centers)

High Risk Workplace

Exposure to hazardous risks with the potential for serious injuries requiring first aid

Exposure to any of the following;

- Hazardous machinery resulting in serious injury (e.g. construction sites, chainsaw use)
- Hazardous substances (e.g. chemical manufacturing, laboratories, food manufacturing)
- Hazardous forms of work dangerous environments e.g. (welding, demolition, blasting, electrical)
- Exposure to extreme temperatures (e.g. work in rural locations at mine sites, oil and gas rigs etc.)

MANDATORY REQUIREMENTS

Description	QTY
First Aid Kit	1
Liquid Hand Soap	1
Liquid Hand Soap Dispenser	1
Paper Towel Roll	1
Paper Towel Holder	1
Plastic Exam Bed Sheets	1
Magnifying Lamp	1
Base for Magnifying Lamp	1
Desk / Storage Cupboard	1
Garbage Bin Swing Top	1
Garbage Bags	1
Sharps Container	2
Stool	1
Privacy Screen	1

RECOMMENDED ESSENTIALS

Description	QTY
Multifunction Patient Chair	1
Stainless Steel PC Trolley	1
Examination Couch Step	1
Pillow Case Protector Box 100	1
Cotton Blanket	2
Foldable Stretcher	1
Crutches	1
Cervical Neck Collar	2
Splint	1
CPR Poster	2
Emergency Eye Wash Station	1
Examination Pen Torch	1
Exam Gloves Box 100	1
